MINUTE ENTRY

This Court has reviewed Petitioner/Mother's Motion for Return of Passport, Respondent/Father's Response, and there being no reply,

In her motion, Petitioner asks that this Court direct Respondent to "return [minor child] Andrew's passport to Petitioner Mother." Petitioner asserts that Mother, having sole custody of the minor child, is in need of the passport to arrange an out-of-country trip to Mexico with the minor child this upcoming winter break.

Respondent indicates that the passport in question was obtained by him for purposes of a trip to China with minor child this past summer of 2007. A review of federal regulations pertaining to obtaining a passport for a minor child indicates that particular documentation must be provided by the parent seeking a passport for the minor child. Respondent/Father has apparently provided the appropriate documentation necessary to insure his ability to travel out-of-country with the minor child. Respondent indicates, and the regulations pertaining to passports for minors appear to support, that Petitioner/Mother is not precluded from obtaining a passport for the minor child.

SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

FC 2001-006342

10/30/2007

Petitioner/Mother, however, has not presented any evidence that her ability to obtain a passport for the minor child has been precluded by the existence of a passport that Respondent/Father has obtained.

IT IS HEREBY ORDERED denying Petitioner's Motion for Return of Passport.
